

Thad's Grads Checklist

This checklist is designed to help graduates understand all requirements that must be completed prior to commencement. Scan **THE THAD GRAD QR** code to access the commencement page on the College's website, which will be regularly updated.

Grad App

 [Self-Service Portal](#)

1) Go to the **Self-Service** portal. 2) Click **Graduation Overview**. 3) Under Application Status, click **Apply**. 4) Complete all required information, including your phonetic spelling, the home address where your diploma should be sent, and any accommodation requests.

Monitor Degree Completion Status

Ceremony participation does not confirm program completion. Final status is awarded after all requirements are verified. Students can track real-time progress in the Self-Service Progress tab, which updates to "Complete" after final grades are confirmed.

Cap & Gown Order

Order Cap/Gown/Tassels from Jostens website by 4/16/2026 to ensure you receive it on time.

Honor cords will be provided by College day of graduation.

AM or PM Ceremony?

Students must walk in their designated commencement ceremony. Scan the **THAD GRAD QR Code** to confirm if your academic program will be walking at 9:00am-or 2:00pm.

Tickets

Each graduate **attending** commencement will be allotted four (4) tickets. Ticket retrieval will take place at the Mellor Building in the Academic Affairs Office from **4/27/26 to 5/8/26**.

A request form for additional tickets will be sent to students via email; submission does not guarantee extra tickets.
